

TINDERBOX

26TH - 28TH JUNE 2015 • ODENSE • TUSINDÅRSSKOVEN

TINDERBOX adds hip-hop rising star, world famous DJ trio, strong international rock act and not least a Danish singer in a class of her own.

Above & Beyond (UK), Rival Sons (USA), Joey Bada\$\$ (USA), & Marie Key (DK) added today to TINDERBOX lineup.

TINDERBOX continue to attract big international artists to Odense, Denmark. Even by their sky-high standards British DJ trio **Above & Beyond** are currently flying, well, above and beyond. Above & Beyond became the first British DJ's to headline, and sell out, Madison Square Garden. Along the way, they also did sell outs at the Hollywood Palladium and London's Alexandra Palace. Their radio show "Group Therapy" has broadcast over 500 episodes since 2004, reaching 300 million listeners in 35 countries - every week. Tinderbox will host the party when they play Friday night.

We are particularly pleased to present Tinderbox's first Hip Hop name, **Joey Bada\$\$**, from Brooklyn, New York. He is underground, known from two famous mixtapes made with his crew "Pro Era", but now heading for the mainstream with his newly released solo album "B4.DA.\$\$". Bada\$\$ is a rising star, but draws with respect to Hip-Hops classics. Playing Saturday.

Rival Sons - a great Californian garage rock band. They have built a solid fan base worldwide, with their sweaty, psychedelic fuzz guitar rock, with strong links to like of Led Zeppelin and the White Stripes. Rival Sons play Friday.

Marie Key is currently at the top of the Danish charts, with her very personal songs on the album "Tror Du At Vi Danser". With this release Marie got new more soulful sound. We look forward to hearing the songs live Friday at TINDERBOX.
