

Press release

## **TD SYNEX and Trifork Partner to Deliver Scalable AI and Digital Transformation Solutions**

April 22<sup>nd</sup>, 2025 – Austin, Texas – Trifork today announced a new partnership with TD SYNEX, a leading global distributor and solutions aggregator for the IT ecosystem. Through this partnership, Trifork will deliver advanced digital solutions to TD SYNEX’s new and existing customers, helping them accelerate digital transformation and drive measurable business outcomes.

*“Partnering with TD SYNEX enables us to reach a broader audience of enterprise customers who are ready to embrace modern, AI-driven software solutions,” says Karan Yadav, CEO at Trifork US. “TD SYNEX is a trusted partner in the channel, and we’re excited to work together to help organizations transform the way they build and scale digital experiences.”*

*“TD SYNEX is committed to uniting IT solutions that deliver business outcomes today and unlock growth for the future,” said Cheryl Day, SVP, New Vendor Acquisition and Global Solutions. “Trifork brings their high-impact software solutions to our vast portfolio of vendor partners, and through our partnership, we’re able to enrich the breadth and depth of our enterprise offerings so our customers can do great things with technology.”*

Trifork offers expertise in AI, scaled platforms, spatial computing, and user-centric applications – serving industries such as manufacturing, energy, healthcare, finance, education, and public services. Their modular, scalable approach allows organizations to integrate innovation quickly and efficiently while maintaining a secure and user-centric architecture.

TD SYNEX customers can now access Trifork’s solutions through the TD SYNEX ecosystem, with support from dedicated teams to ensure a seamless onboarding experience. To learn more about Trifork’s offering, visit <https://us.trifork.com/products/vision-ai/>.

### **About TD SYNEX**
