**The BANK of Greenland is exploring the possibility to issue Senior Non-Preferred capital**

As part of the ongoing effort to optimize its capital structure, the BANK of Greenland has decided to explore the possibility of issuing Senior Non-Preferred capital (Tier 3).

If there is satisfactory market interest, the issue is expected to be completed before the end of September 2025.

Nykredit Bank A/S has been mandated as sole lead arranger.

Please direct any questions to Managing Director Martin Kviesgaard.

Best regards  
The BANK of Greenland
