## **CNH introduces FLEETPRO aftermarket line-up at Agritechnica 2025**

- *A new spare parts and consumables certified portfolio*
- *Precision Technology service kit updates*

Hanover, November 9, 2025

CNH (NYSE: CNH), a global leader in agricultural equipment, technology and services, is introducing its FLEETPRO line-up of aftermarket services at Agritechnica 2025.

The FLEETPRO line-up includes a portfolio of certified spare parts and consumables for agricultural equipment, mainly recommended for post-warranty and legacy agricultural machinery. This delivers customers with additional support by providing dependable performance and tailored dealer support at a competitive price point. It is available across Europe, the Middle East, and Africa (EMEA).

### **An enhanced Precision Technology offering**

FLEETPRO's product portfolio will also include Precision Farming kits. These will initially be available in the EMEA region.

In partnership with CHC Navigation, FLEETPRO will offer guidance kits with 10-inch and 12-inch displays, available with both hydraulic and assisted steering options. The kits are compatible with all brands and models, making precision tools accessible for mixed fleets.

For advanced scalability, customers can rely on CNH's Raven portfolio, built for flexibility and durability in demanding conditions. Case IH, New Holland, and STEYR users continue to benefit from fully integrated guidance systems, connecting seamlessly to the FieldOps™ digital platform for optimized machine performance.

CNH's FLEETPRO line of aftermarket parts will be available at all Case IH, New Holland and STEYR authorized dealerships across the EMEA region.
