

Transactions in Connection with Share Buy-back Program

Company Announcement

COPENHAGEN, Denmark; March 2, 2026 – Genmab A/S (Nasdaq: GMAB). On February 17, 2026, Genmab announced the initiation of a share buy-back program to repurchase up to 342,130 shares with a maximum aggregate total value of DKK 725 million to honor our commitments under the Restricted Stock Unit program.

The share buy-back program is expected to be completed no later than March 31, 2026.

The following transactions were executed under the program from February 23 to February 27, 2026:

| | No. of shares | Average price (DKK) | Total value (DKK) |
|---------------------------------------|---------------|---------------------|--------------------|
| Accumulated through last announcement | 1,431,958 | | 115,224,550 |
| February 23, 2026 | 18,000 | 1,825.23 | 32,854,140 |
| February 24, 2026 | 12,000 | 1,856.49 | 22,277,880 |
| February 25, 2026 | 15,000 | 1,847.90 | 27,718,500 |
| February 26, 2026 | 20,000 | 1,835.70 | 36,714,000 |
| February 27, 2026 | 20,000 | 1,853.32 | 37,066,400 |
| Total | | | 156,630,920 |
| Accumulated under the program | | | 271,855,470 |

Following these transactions, Genmab holds 2,763,851 shares as treasury shares, corresponding to 4.30% of the total share capital and voting rights.

The share buy-back program will be undertaken on the terms set out below and in accordance with Regulation (EU) No. 596/2014 ('MAR') and the Commission Delegated Regulation (EU) 2016/1052, also referred to as the "Safe Harbour Regulation." Further details on the terms of the share buy-back program can be found in our company announcement no. 05 dated February 17, 2026.

About Genmab

Genmab is an international biotechnology company dedicated to improving the lives of people with cancer and other serious diseases through innovative antibody medicines. For over 25 years, its passionate, innovative and collaborative team has advanced a broad range of antibody-based therapeutic formats, including bispecific antibodies, antibody–drug conjugates (ADCs), immune-modulating antibodies and other next-generation modalities. Genmab's science powers eight approved antibody medicines, and the company is advancing a strong late-stage clinical pipeline, including wholly owned programs, with the goal of delivering transformative medicines to patients.

Established in 1999, Genmab is headquartered in Copenhagen, Denmark, with international presence across North America, Europe and Asia Pacific. For more information, please visit [Genmab.com](https://www.genmab.com) and follow us on [LinkedIn](#) and [X](#).

This Company Announcement contains forward looking statements. The words "believe," "expect," "anticipate," "intend" and "plan" and similar expressions identify forward looking statements. Actual results or performance may differ materially from any future results or performance expressed or implied by such statements. The important factors that could cause our actual results or performance to differ materially include, among others, risks associated with preclinical and clinical development of products, uncertainties related to the outcome and conduct of clinical trials including unforeseen safety issues, uncertainties related to product manufacturing, the lack of market acceptance of our products, our inability to manage growth, the competitive environment in relation to our business area and markets, our inability to attract and retain suitably qualified personnel, the unenforceability or lack of protection of our patents and proprietary rights, our relationships with affiliated entities, changes and developments in technology which may render our products or technologies obsolete, and other factors. For a further discussion of these risks, please refer to the risk management sections in Genmab's most recent financial reports, which are available on www.genmab.com and the risk factors included in Genmab's most recent Annual Report on Form 20-F and other filings with the U.S. Securities and Exchange Commission (SEC), which are available at www.sec.gov. Genmab does not undertake any obligation to update or revise forward looking statements in this Company Announcement nor to confirm such statements to reflect subsequent events or circumstances after the date made or in relation to actual results, unless required by law.
