

ALK upgrades its full-year outlook on strong tablet sales

Inside Information

ALK (ALKB:DC / Nasdaq Copenhagen: ALK B) today announced that the 2026 full-year financial outlook has been upgraded reflecting a strong growth momentum in tablet sales across regions.

- Revenue is now expected to grow by 16-17% in local currencies (previously 14-16% growth) based on growth in all sales regions and product lines with tablets as the key growth driver.
- The EBIT margin is now expected at around 27% (previously 26%), mainly reflecting operating leverage from the higher revenue outlook.

ALK will release its Q3 2026 report on 17 November 2026.
