

Bio: Henri Salokangas

Henri Salokangas is currently Vice President of Orion's Easyhaler® & Respiratory business. He has been appointed Executive Vice President, Branded Products at Orion Pharma as of 1 January 2027. From that date, he will be responsible for Orion's Branded Products business and will become a member of Orion's Executive team.

Henri has built his professional career at Orion Pharma over more than two decades, progressing from research and development roles to senior commercial leadership positions. He has held a variety of leadership roles across the company, including heading business within Easyhaler & Respiratory, OTC & Biosimilars, and Self-Care. Throughout his career, he has led business growth initiatives, strategic partnerships, product launches, organizational transformation and commercial operations.

Prior to his commercial leadership roles, Henri worked in Orion Pharma's research and development organization, where he held positions in project management, industrialization and pharmaceutical development. His background combines scientific expertise with extensive experience in business leadership and strategy execution.

Henri holds a Master of Pharmacy degree from Aston University in the United Kingdom and an MBA from Henley Business School.
