ASM proposes Denise Koopmans for appointment to the Supervisory Board

ASM International N.V. (Euronext Amsterdam: ASM) today announces its intention to nominate Denise Koopmans for appointment to its Supervisory Board. Her appointment will be submitted to shareholders for approval at an Extraordinary General Meeting (EGM), expected to be held in early March 2027.

Denise Koopmans has extensive international executive and non-executive experience across industrial and business services companies. She currently serves as Vice Chair and Non-Executive Director of NORMA Group, Chair of the Audit Committee and Non-Executive Director of Cicor Group, Chair of the Remuneration Committee and Non-Executive Director of Royal BAM Group, and Non-Executive Director of Swiss Post. She is also an independent member of the Global Board of Governors of Grant Thornton International and Chair of its Governance Committee.

Earlier in her career, Ms. Koopmans held a number of senior executive positions, including Managing Director of the Legal & Regulatory Division of Wolters Kluwer and CEO of LexisNexis Business Information Solutions. She also held senior roles at Capgemini, with responsibilities including general management, M&A and restructuring.

Ms. Koopmans holds an LL.M. from Erasmus University Rotterdam and completed the Advanced Management Program at Harvard Business School and the International Directors Program at INSEAD. She has also completed executive education programs in artificial intelligence at the University of Oxford and business and sustainability at the University of Cambridge.

Pauline van der Meer Mohr, Chair of ASM's Supervisory Board, commented: "We are delighted to propose Denise Koopmans for appointment to ASM's Supervisory Board. Denise brings extensive international board and executive experience, together with a strong background in governance, business transformation and technology. Her broad perspective and experience across different industries and international businesses will complement the existing strengths of our Supervisory Board. We very much look forward to welcoming her to ASM."
