Specify type of holding

Please check the categories below that are relevant for your holding. You can select multiple categories if your portfolio includes different types of instruments or rights.

Choose between:

1. **Direct shareholding**, if you own shares in the company
2. **Financial instruments with the right to acquire shares**, such as options or forward contracts that give you the right to buy or subscribe for shares
3. **Financial instruments with similar economic effect**, such as cash-settled derivatives or other instruments that reflect the value of the shares without physical delivery

For each category, you must specify whether your holding relates to **voting rights** (A-sections) and/or **share capital** (B-sections).

If you are unsure which categories apply to you, we recommend that you consult capital markets legislation or seek advice.
