Anders Hørsholt, CEO of Astralis:

“The business model behind PIXEL.TV does not match our strategy going forward, and as such owning a majority stake would prevent fulfilling the potential of the company. Therefore, we have decided to sell the majority stake in PIXEL.TV, while keeping 10 percent as an investment in a product and a company with a positive potential. As a member of the Advisory Board, we will continue to provide the Management of PIXEL.TV with our insights.”
