Termination of contract for data centre in Odense

Aarsleff has received a termination of the contract entered into on 3 August 2022 with a multi-national company for the Civil Works Package in connection with an extension of a data centre in Odense.

The contract had a value of DKK 2.4 billion. The work on the data centre was in progress and will be stopped immediately as a consequence of the termination of contract.

The effect of the termination will be included in the outlook for the financial year 2022/23 published on 16 December together with the annual report for the financial year 2021/22.
