10.6.2025 06:30:00 CEST | FOM Technologies | Company Announcement

Company announcement no. 84 – 2025 | Copenhagen, the 10th of June 2025

FOM Technologies has hired Henrik Christensen as the company's new CFO.

With reference to company announcement no. 82 – 2025, the company can inform that after a thorough process, Henrik Christensen has been hired to succeed Mona Syed as CFO of FOM Technologies. Henrik Christensen will start in the position in mid-June 2025.

Henrik Christensen brings many years of practical- and managerial experience within finance, economics, auditing, controlling and financial reporting within a wide range of industries.
