Company announcement no. 93 - 2025 | Copenhagen, the 29th of October 2025

FOM Technologies A/S ("FOM Technologies" or "the Company") has now registered the capital increase in connection with the completion of the offering of new shares with pre-emptive rights for existing shareholders.

FOM Technologies has now registered the capital increase with the Danish Business Authority following the completion of the offering of new shares with pre-emptive rights for existing shareholders. Reference is made to company announcement no. 92-2025 of October 24, 2025, which stated that a total of 4,324,019 new shares with a nominal value of DKK 0.10 each had been subscribed, corresponding to a total capital increase of nominally DKK 432,401.90.

The new shares carry the same rights as the existing shares in accordance with the Company's Articles of Association and are expected to be admitted to trading under the Company's existing ISIN code DK0061278199 on Nasdaq First North Growth Market Denmark on Monday, November 3, 2025.

Following the issuance, the total share capital of FOM Technologies amounts to nominally DKK 1,382,897.10, divided into 13,828,971 shares with a nominal value of DKK 0.10 each, corresponding to 13,828,971 votes.

FOM Technologies' updated Articles of Association are available on the Company's website.
