MANAGEMENT STATEMENT

FINANCIAL REPORT H1 2021 [January 1st - June 30th, 2021]

The report has not been audited.

The Board of Directors and Management have today considered and approved the interim financial report of FOM Technologies A/S for the first six month of 2021. The interim financial report has not been audited or reviewed by the company's independent auditors.

The interim financial report for the first six month of 2021 has been prepared in accordance with the provision of the Danish Financial Statements Act for Accounting Class B with the option of certain principles for Accounting Class C and additional disclosure requirements for companies admitted to trading on Nasdaq First North Growth Market. The accounting policies adopted are consistent with those applied in the annual report 2020.

In our opinion the accounting policies applied, are appropriate to the effect that the interim financial report gives a true and fair view of the company's assets, liabilities, cashflow and financial position on June 30th, 2021. Furthermore, in our opinion, the Management summary gives a true and fair view of the development in the activities and the financial situation, the financial result for the period and the financial position of the company.

Risks and uncertainties have not changed in relation to the conditions mentioned in the company description prepared in connection with FOM Technologies share listing on Nasdaq First North Growth Market, Copenhagen. This report and the annual report 2020 are available at:
