

FOM Technologies lands new battery customer.

25.3.2022 06:30:00 CET | FOM Technologies | Investor News

Investor news no. 15 – 2022 Copenhagen, the 25th of March 2022

FOM Technologies has in collaboration with our distributor for France – MBraun France SAS been awarded an order from French based SAFT for a slot-die coater machine for research in battery coating applications.

SAFT is a French company involved in the design, development and manufacturing of batteries used in transport, industry and defense. SAFT is headquartered in France with a global presence in 19 countries and with 16 manufacturing sites. SAFT is a wholly owned subsidiary of TotalEnergies.
