

Slot-die coating system sold to Enel Green Power S.p.A. in Italy.

5.8.2022 07:00:00 CEST | FOM Technologies | Investor News

Investor news no. 22 – 2022 | Copenhagen, the 5th of August 2022

Italian Enel Green Power S.p.A. who is one of the largest power companies in the world by revenue places an order for slot-die coating equipment for solar research.

FOM is pleased to announce that we have been selected by Italian Enel Green Power S.p.A. to deliver our flagship slot-die system as part of a major system cluster. The system cluster which is expected to be operational before the end of the year will play a key part in the company's ambition to become the largest solar manufacturer in Europe by 2023.

Enel (Ticker: ENEL.MI) is listed on Borsa Italiana and quoted on the [FTSE MIB](#) index on the [Milan Stock Exchange](#). Enel is the 73rd largest company in the world by revenue, with €88 billion in 2021. As of 2018, Enel was the second largest power company in the world by revenue after the State Grid Corporation of China.

This investor news will not change the 2022 financial guidance for turnover and EBITDA.
