Investor news no. 25 – 2022 | Copenhagen, the 7th of September 2022

**FOM Technologies has just been named as this year's winner of the best Danish listed growth company by ALGC (Association for Listed Growth Companies). The award show took place at ALGC's annual assembly, which was held at the old stock exchange building in Copenhagen.**

It was a proud and honored CEO of FOM Technologies Michael Stadi who, on behalf of the FOM-team, received the award for this year's best Danish listed growth company. The selection took place at ALGC's annual meeting which took place on September 7<sup>th</sup> in Copenhagen.

ALGC is an association that was founded in October 2021 and represents the ecosystem of advisers and companies that want or have chosen to be listed on the stock exchange in order to raise capital to finance their growth journey, regardless of which stock exchange they are listed on.

Among all nominated companies, a jury panel of five experts chose to award FOM Technologies based on the following criteria's:

- Achieved results and performance
- Stock price development
- Shareholder base
- Governance
- Investor relations as well as
- Communication

In connection with the awarding of the price, CEO Michael Stadi thanked those who nominated the company, the jury and the rest of the FOM-team for an excellent team effort and promised that the company would do everything they could to inspire others, as well as living up to the award going forward.

This year is the first time that the prize has been awarded.
