About Monsenso

Monsenso is an innovative technology company offering a digital health solution for mental health and behavioral disorders. Our mission is to help provide better mental health to more people at lower costs. Our solution helps optimise the treatment of mental disorders and gives a detailed overview of an individual's mental health through the collection of outcome, adherence and behavioural data. It connects individuals, carers and health care providers to enable personalised treatment, remote care and early intervention. Based on continuous research and development, our team is committed to developing solutions that fit seamlessly into the lives of individuals, increase their quality of life and improve the efficacy of mental health treatment.
