Company announcement no. 15/2025: Anita Dybkær becomes new CFO in Dataprocés

With effect from 1 October 2025, Dataprocés has appointed Anita Dybkær as the new CFO.

Anita comes with experience as Finance Manager at Alfa Laval Aalborg A/S and Group CFO at PWT Group A/S. She has, among other things, a Graduate Diploma in Accounting and an Academy Education in Management.

"Among several good candidates, we have chosen Anita Dybkær as our new CFO, as she has the right professional and personal profile for the job. With a background from both the accounting industry and different types of companies, she is extremely well equipped for the job. We look forward to Anita becoming part of Dataprocés and joining the management of the company," says CEO, Michael Binderup.

Anita Dybkær says:

"With more than 10 years of experience in financial management, management, digitalization and automation, I look forward to contributing to the continued professionalization and development of Dataprocés. I am passionate about creating value through efficiency and strong financial management and look forward to supporting the management in realizing the company's growth ambitions and ensuring a robust and future-proof financial platform."

Anita Dybkær replaces Kenneth Nielsen, who will continue to be associated with Dataprocés for a period of time.

Earlier this year, Dataprocés Group A/S adjusted its strategy with a focus on strategic collaborations, acquisition opportunities and new markets.
