Investor News No. 28/2026: Dataprocés expands collaboration with German municipality

Dataprocés has entered into an agreement with an existing German municipal customer for the provision of additional advisory services.

The agreement has been entered into as an extension of the existing collaboration between the parties and includes assistance related to the customer's use of Dataprocés' solutions.

Dataprocés sees the agreement as a positive confirmation of the value of the company's solutions and the ongoing collaboration with international customers.

General Information on Contract Announcements as Investor News (Updated Policy 2025)

All publicly announced contracts fall within Dataprocés' strategic focus areas and are not considered to impact the announced financial guidance. Changes to guidance are only made in the event of total and significant changes in the underlying business.

As MARS, MARC, KØS, and KommuneProfil are central to Dataprocés' SaaS strategy, all sales of software solutions are announced - both sales to new municipalities and expansions with existing customers.

In addition, the following are announced:

- Data analysis assignments with an expected fee exceeding DKK 250,000
- All international sales, regardless of contract value

In investor announcements, municipalities are categorized by size to ensure uniform communication:

- The 50 smallest municipalities municipalities
- The 38 medium-sized municipalities larger municipalities
- The 10 largest municipalities top-10 municipalities
