Investor News No. 31/2026: Join Dataprocés at KapitalForum on the 3rd of June 2026

Dataprocés will be participating on the 3rd of June, when Norden CEF in collaboration with Consensus and Wadvisory gathers companies and investors to KapitalForum. The day will take place in Copenhagen from 9-16 as well as being livestreamed.

KapitalForum gives you, as an investor, the opportunity to meet several publicly listed companies and gain insight into the businesses, our strengths, and our growth potential. You will have the chance to ask questions and provide direct feedback throughout the day. This means that as well as sharing our vision for the company, we can also directly gain valuable insights from you.

At Dataprocés, we look forward to meeting you and exchanging valuable insights.

The day will also include presentations from Vestas, Q-Interline, Erria, Konsolidator, BARDJUS, Bactiquant, Swiss Properties, and Trophy Games Dev.

A more detailed program will follow.

We hope to see you in Copenhagen on the **3rd June** – be it in person or online!
