Investor news no. 32/2026: Larger municipality on Zealand has bought Dataprocés' KommuneProfil platform

Dataprocés has entered a contract with a larger municipality on Zealand for the use of our SaaS solution KommuneProfil VoresNøgletaal.

The platform KommuneProfil will give municipalities new opportunities to work with key figures and analyses as a basis for debate and decision-making support in the municipalities. The target group is broad and includes both politicians, administration and citizens in the municipalities.

### General information about contract announcements as investor news (Updated policy 2025):

All publicly announced contracts are within Dataprocés' strategic focus areas and are not considered to change the announced financial guidance. Changes in guidance are only made in the event of total and significant changes in the underlying business.

As MARS, MARC, KØS and KommuneProfil are central to Dataprocés' SaaS strategy, all sales of software solutions are announced – both to new municipalities and by expansion to existing customers.

In addition, the following are announced:

- Data analysis tasks with an expected fee of more than DKK 250,000.
- All international sales, regardless of contract value

In investor announcements, municipalities are named according to size to ensure uniform communication:

- The 50 smallest municipalities municipalities
- The 38 middle larger municipalities
- The 10 largest top-10 municipalities
