

New contract on data analyzes and expansion of MARS

6.5.2021 16:04:55 CEST | Dataprocés Group A/S | Company Announcement

Company announcement no. 18: Dataprocés has per. the 6th of May entered into an agreement on data analyzes and expansion of MARS with one of the larger Danish municipalities.

The agreement has been entered into with a larger sealandic municipality, who has entered into a collaboration on data analyzes and expansion of MARS with one module and two sub-modules.

Generally about announcements

The contract is in accordance with Dataprocés' strategic focus and does not change the announced guidance.

In all announcements Dataprocés distinguishes between three municipality size categories; the 50 smallest municipalities are called municipalities, the 38 middle ones are called larger municipalities and the 10 largest are called top-10 municipalities.

Dataprocés only announces agreements on data analyzes with a total estimated value higher than 250.000 DKK.

The SaaS platforms MARS, Min Sag and MARC Fleksløn are central to the company strategy and will be announced each time an agreement has been entered into.
