

Adjustment of policy for company announcements

20.9.2021 17:08:14 CEST | Dataprocés Group A/S | Company Announcement

Company announcement no. 45: Inside information, Of the 20th of September 2021, the Board of Directors of Dataprocés Group A/S has decided to adjust the company's policy for communication with the market.

In order to ensure transparent communication about the company's new contracts, the Board of Directors has decided that new contracts that only reflect the company's success towards the fulfillment of the announced guidance will in future be communicated as investor news.

CEO Kjartan Jensen:

"I believe that we as a company have a duty to communicate not only the major milestones achieved, but also the smaller but imperative milestones that together describe the journey towards the guidance. Thus, Dataprocés will in the future continue to communicate even smaller milestones to our investors - we simply adjust the channel, from company announcements to investor news. I believe that the best investor-relationship is achieved through an openness that ensures the investors an ongoing feeling for the progress of the company, which in Dataprocés' case is reflected in the contract flow."

Generally about the announcements that in the future will be communicated as investor news:

Contracts that are in accordance with Dataprocés' strategic focus and does not change the announced guidance.

In all announcements Dataprocés distinguishes between three municipality size categories; the 50 smallest municipalities are called municipalities, the 38 middle ones are called larger municipalities and the 10 largest are called top-10 municipalities.

Dataprocés always announces agreements on data analyzes with a total estimated value higher than 250,000 DKK.

The SaaS platforms MARS, Min Sag and MARC Fleksløn are central to the company strategy and will be announced each time an agreement has been entered into.
