

New contract on Min Sag

26.11.2021 08:15:06 CET | Dataprocés Group A/S | Investor News

Investor news no. 14: Dataprocés has per. the 26th of November entered into an agreement on our SaaS solution Min Sag.

The agreement on Min Sag has been entered into with a municipality in Zealand, and is now the 7th municipality to purchase our Min Sag solution.

Min Sag is an automated, digital solution that through web service- and robot integrations makes it easier to apply for and receive requests for case- and document access. Min Sag therefore benefits both the citizen, the municipality and a third party.

Generally about contract announcements as investor news:

The contracts are in accordance with Dataprocés' strategic focus and does not change the announced guidance.

In all announcements Dataprocés distinguishes between three municipality size categories; the 50 smallest municipalities are called municipalities, the 38 middle ones are called larger municipalities and the 10 largest are called top-10 municipalities.

Dataprocés announce all agreements on data analyzes with a total estimated value higher than 250.000 DKK.

The SaaS platforms MARS, Min Sag and MARC Fleksløn are central to the company strategy and will be announced each time an agreement has been entered into.
