Investor news no. 10 / 2023: Dataprocess hires new CFO.

On 1 March 2023, Dataprocess welcomed new CFO Kenneth Nielsen.

Kenneth comes with a background, most recently as a partner in a small state-authorised audit company, and also has experience from several interim finance manager assignments. Kenneth has also previously been associated with Dataprocess as a consultant and accountant for several years.

Kenneth Nielsen will have a direct reference to CEO, Kjartan Jensen. CEO, Kjartan Jensen states: "I am happy to be able to welcome Kenneth Nielsen back, where I look forward to being able to continue and expand the good collaboration we had when Kenneth was externally affiliated with Dataprocess. At the same time, we thank you for the good cooperation with the now departing CFO, Thomas Aarup Christensen, who has chosen to seek other challenges."
