Company announcement no. 12/2024: Change in the board of directors of Dataprocés Group A/S

### Company announcement no. 12/2024: Change in the board of directors of Dataprocés Group A/S

Dataprocés Group A/S has held by-elections to the Board of Directors.

Michael Jannis Pedersen has been elected as employee-elected representative in place of Daniel Simonsen, who previously resigned from the Board of Directors due to personal reasons.

Michael has been employed at Dataprocés since June 2014. As a Data Scientist, Michael has in-depth knowledge of the technical side of Dataprocés' products. Michael has a background as an MSc in Engineering in Business Systems from AAU and has worked with data science and AI since 2007.

Michael has a broad network in Dataprocés and is engaged in optimizing Dataprocés' internal value chains, further developing the MARS platform and investigating how data science and AI can be expanded in new products.

#### About Dataprocés Group A/S

Dataprocés is an innovative IT and consulting house, specializing in solutions targeted at the Danish municipalities and their digital administration. The solutions range widely from robot technology and SaaS to data analyzes as well as collaboration and consulting. The starting point and purpose are always the same: to use data to create new knowledge, smarter processes and increased efficiency for the benefit of both citizens and municipalities.

**Dataprocés - we create value with data!**
