Alefarm Brewing to be featured as Beer of the Month at all Gasoline Grill locations during August

Alefarm Brewing A/S ("ALEFRM" or "the Company") is a family-run craft brewery with a focus on brewing high-quality craft beer for consumers and distributors worldwide. Today, the Company is announcing a brand new cooperation with world-famous Gasoline Grill.

Gasoline Grill is a renowned creator of organic, hand-made and freshly produced burgers that are served at locations all over Copenhagen. All meat is freshly ground at each location every morning, ensuring the ability to serve completely fresh burgers. Their take on burgers has been received with massive applause by Copenhageners and tourists alike, helping Gasoline Grill grow from their first location at Landgreven to a total of 8 locations so far.

Alefarm Brewing will be featured as *Beer of the Month* at Gasoline Grill locations during August, 2021. The Company will supply each location with freshly produced cans of *Pivot - Strata*, a single-hop IPA that showcases the Alefarm Brewing house IPA recipe with a single hop on top. This makes for the perfect match between burger and beer - a fresh, quality-crafted experience from the outset and throughout.

Kasper Tidemann, Founder and CEO, gives the following statement in this regard:

"We are delighted to cooperate with Gasoline Grill with this Beer of the Month feature. Our cooperation is a way of coming together as two brands, each with an unwavering focus on hand-made and quality-crafted products. Personally, I am looking much forward to tasting this combo of exquisite beer and burger - a tasty match that begs for more."
