BactiQuant leverer igen udstyr og analysekemi til et af Europas største energiselskaber

3.12.2024 11:07:56 CET | BactiQuant A/S | Investor Nyheder

I denne uge har BactiQuant modtaget tre nye ordre fra vores vigtige Olie & Gas kunde Perenco.

Det glæder BactiQuant at meddele at vi fortsætter vores gode samarbejde med Perenco, som sætter yderligere gang i implementeringen af BactiQuants teknologi, med indkøb af analysekemi samt Mobile Lab systemer til anvendelse i felten. Leveringen forventes afsluttet i denne måned.

Om BactiQuant A/S

BactiQuant has developed a technology that will revolutionize the monitoring of bacterial contamination levels in water and ensure optimum usage and handling of water around the world to the benefit of our customers and the sustainability of our planet. To show our environmental commitment, we have aligned our business with four of the UN's Sustainable Development Goals. We believe that BactiQuant will be the world leader within mobile and online surveillance of bacterial contamination levels, and we are already well on our way. Headquartered in Denmark and operating across five continents, our customers come from a wide range of industries such as public water utility companies, industries needing water cooling or requiring wastewater treatment, and aquaculture.
