## BactiQuant modtager første ordre fra ny kunde i det amerikanske energisegment

4.3.2025 13:53:54 CET | BactiQuant A/S | Investor Nyheder

Det glæder BactiQuant at meddele at vi har modtaget den første ordre fra en ny amerikansk kunde indenfor rådgivning og service i Olie og Gas segmentet. Virksomheden leverer rådgivning i forbindelse med strategisk planlægning og innovative tekniske løsninger som kan reducere driftsomkostninger. En af virksomhedens fokusområder er specialviden indenfor test af borevæsker. Ordren på vores MobileLab og analysekemi er leveret.

### Om BactiQuant A/S

Bactiquant has developed a technology that will revolutionize the monitoring of bacterial contamination levels in water and ensure optimum usage and handling of water around the world to the benefit of our customers and the sustainability of our planet. To show our environmental commitment, we have aligned our business with four of the UN's Sustainable Development Goals. We believe that Bactiquant will be the world leader within mobile and online surveillance of bacterial contamination levels, and we are already well on our way. Headquartered in Denmark and operating across five continents, our customers come from a wide range of industries such as public water utility companies, industries needing water cooling or requiring wastewater treatment, and aquaculture.
