

BactiQuant

Trading Statement (periodemeddelse) for Q4 2025 (1. januar - 31. december 2025)

4.2.2026 17:01:38 CET | BactiQuant A/S | Company Announcement

BactiQuants omsætning i 2025 steg med 16% i forhold til sidste år.

“Omsætningen i 2025 blev på 8,3 [mio.kr.](#), en vækst på 16% i forhold til sidste år. Med den gennemførte kapitalrejsning i november 2025 har vi nu et solidt økonomisk fundament til at skalere forretningen yderligere, og vi forventer en øget vækst i 2026” udtaler CEO Morten Miller.

BactiQuant udsender hermed trading statement Q4 2025, som kan læses i sin helhed i det vedhæftede pdf-dokument.

BactiQuants formelle årsrapport, som indeholder de komplette regnskabstal for 2025, udsendes onsdag d. 18. marts 2026.

About BactiQuant A/S

Bactiquant has developed a technology that will revolutionize the monitoring of bacterial contamination levels in water and ensure optimum usage and handling of water around the world to the benefit of our customers and the sustainability of our planet. To show our environmental commitment, we have aligned our business with four of the UN's Sustainable Development Goals. We believe that Bactiquant will be the world leader within mobile and online surveillance of bacterial contamination levels, and we are already well on our way. Headquartered in Denmark and operating across five continents, our customers come from a wide range of industries such as public water utility companies, industries needing water cooling or requiring wastewater treatment, and aquaculture.
