CARLSBERG ISSUES 500M EUR NOTES

Carlsberg Breweries A/S has today successfully placed 3-year EUR notes for a principal amount of EUR 500m with a coupon of 3.25%.

The notes have been issued under the company's Euro Medium Term Notes (EMTN) programme and will be listed on the regulated market of the Luxembourg Stock Exchange.

The proceeds of the offering will be used for general corporate purposes and repayment of other debt.

Nordea, Société Générale and UniCredit (B&D) acted as Joint Bookrunners.
