

## **Odico A/S receives order of approx. DKK 3 million from customer in the energy segment.**

8.1.2024 14:59:43 CET | Odico A/S | Investor News

Odico has received an order for its business area Digital Fabrication from an existing strategic customer in the energy segment.

### **Investor News 01-2024**

Odico has successfully secured an order from a strategic Danish customer in the energy segment for the business area, Digital Fabrication.

The order exemplifies Odico's commitment to innovation, particularly in collaboration with the customer. Utilizing cutting-edge robotic solutions and digital tools within its digital fabrication processes, Odico demonstrates its commitment to technological advancement.

The orders received represent a turnover of approx. DKK 3 million and will be delivered from Odico on an ongoing basis in Q1 2024.

The parties agree that other details in relation to the order will not be disclosed for competitive reasons.
