Company Announcement No. 9-2021

Today, Valuer Holding A/S ("Valuer") announces that the Board of Directors has appointed Morten Halager the new CFO with effect from 17 May 2021. Morten Halager succeeds Ellen Bente Schulz who, by mutual agreement, will leave Valuer by the end of March. CCO Martin Ernst will take over as interim CFO in the transition period until Morten Halager starts as CFO.

Accordingly, the Executive Board of Valuer comprises CEO Dennis Poulsen, CCO Martin Ernst and CFO Morten Halager, all three being registered as "direktion" (executive board members) in the CVR system of the Danish Business Authority.

Morten Halager's strong financial background includes positions as Senior Director of Corporate Finance of NKT Photonics and Finance Director of PwC. Morten has a successful track record of leading finance organisations as well as in-depth experience with capital markets and corporate finance.

Finn Peder Hove, Chairman of the Board of Directors of Valuer says:

"I am very pleased that Morten Halager will be joining Valuer. Morten brings strong qualifications and a wealth of experience from his previous positions. Along with significant execution and management expertise, this makes him an excellent match for this position. I am confident that Morten will bring new valuable insights and ideas to our management team."

"The appointment of Morten Halager as CFO completes the Executive Board of Valuer. With CEO Dennis Poulsen, CCO Martin Ernst and now CFO Morten Halager, Valuer will have a strong executive team that can execute on the growth strategy which is based on international expansion and the development of new services on the company's market-leading innovation platform, and thus unfold Valuer's full potential".

Morten Halager says:

"I am very excited to join Valuer as the potential for value creation is significant, given the huge possibilities for Valuer's innovation platform. I look forward to partnering with Dennis Poulsen, Martin Ernst and the rest of the Valuer team to further develop the Valuer organisation and increase shareholder value."
