

## Correction of guidance and expectations for FY2022/23

21.9.2022 12:10:15 CEST | Valuer | Annual report

### Company Announcement No. 13-2022

Copenhagen, September 21, 2022

#### ***Inside information relates to guidance for the fiscal year 2022/23***

This company announcement addresses a correction to the company announcement number 11-2022 that was sent out this morning in connection with the release of the annual report for FY 2021/22.

The text related to the guidance section should have stated:

#### **Guidance and expectations for 2022/23:**

The guidance for the FY 2022/23 is set at:

- *Growth rate of 67-100% in ARR corresponding to a range of DKK 10-12m.*

Furthermore, the EBITDA is expected to be significantly reduced, thereby also the cash burn for FY 2022/23.

#### **About Valuer**

**Valuer's** vision is to fuel and foster the world's innovation. We do so by mapping the world's innovation activities. By combining data about startups and technologies we identify and present patterns to forward thinking companies, startups, universities and investors alike. Use Valuer to dive headfirst into identifying relevant companies and technologies. We organize +20 million data points to spot trends, discover new technologies and map industries. Using AI and machine learning to analyze, cluster and identify as well as human researchers to qualify and enrich data, if requested and needed. Start at macro level by exploring industries and technologies - and identify relevant companies. Or start at micro and company level and from there understand the industry and how it associates. Valuer is a one-stop-shop for innovation and opportunity discovery. Whether you want to find new technologies and collaboration opportunities, uncover strategic suppliers or find and follow acquisition targets, Valuer can help.
