Company Announcement No. 08-2023

25th May 2023

Nasdaq First North Growth Market Denmark has today approved Valuer Holding A/S (the "Company") request for deletion from trading. Last trading day for the Company's share on Nasdaq First North Growth Market Denmark will be on 3 August 2023, after which the Company's share will be deleted from trading.

Please see Company Notice No. 07-2023 for more information on the deletion proposal of the Company's share from trading on Nasdaq First North Growth Market Denmark, which was adopted at the Company's extraordinary general meeting held on 16 May 2023, including the significance of this for the Company's shareholders.

Please note that trading in the Company's shares after the delisting will only be possible through over-the-counter transactions and may require legal assistance, which the parties in such trades must finance themselves. The company's shares will no longer be electronic, and the parties in any over-the-counter transactions must inform the Company of this and send documentation so that the Company can update the owner's book.

About Valuer

Valuer's vision is to fuel and foster the world's innovation. We do so by mapping the world's innovation activities. By combining data about startups and technologies we identify and present patterns to forward thinking companies, startups, universities and investors alike. Use Valuer to dive headfirst into identifying relevant companies and technologies. We organize +20 million data points to spot trends, discover new technologies and map industries. Using AI and machine learning to analyze, cluster and identify as well as human researchers to qualify and enrich data, if requested and needed. Start at macro level by exploring industries and technologies - and identify relevant companies. Or start at micro and company level and from there understand the industry and how it associates. Valuer is a one-stop-shop for innovation and opportunity discovery. Whether you want to find new technologies and collaboration opportunities, uncover strategic suppliers or find and follow acquisition targets, Valuer can help.
