

Successful introduction of CSRD-solution for sustainability reporting

13.4.2023 20:57:11 CEST | Risma Systems A/S | Investor News

By the 23rd of March 2023 RISMA released the first version of the new CSRD-solution for use by other than the pilot customers. Over the first three weeks in the market RISMA has sold four solutions, three solutions in Denmark and one in Sweden. The price for a CSRD solution depends on the size of the organization, but the average license fee is c. 150 TDKK per year per customer.

RISMA's founder and CEO, Lars Nybro Munksgaard says: *"With 49% growth in 2022 based on our GRC-suite, we already had a strong foundation, but we have for a long time expected our new CSRD-solution to become a new significant driver for RISMA's growth in 2023 and 2024. The market's reception of our CSRD-solution is a welcomed confirmation of its potential."*

About Risma Systems A/S

RISMA is a leading SaaS company empowering companies to take their governance, risk and compliance effort to the next level. We believe in the value of good corporate citizenship, and our customers share our vision of aspiring to make a positive difference in complying with both regulatory and stakeholder expectations.

Our software platform supports our customers to be in control and decision wise when structuring, handling, and documenting their efforts across governance, risk, and compliance. Our core GRC suite offers eight business-critical solutions relevant for all companies regardless of size and industry – GDPR & Privacy, ISMS & ISO27001, ESG & sustainability, Enterprise Risk, Financial & Internal controls, Vendors & Contracts, Policy Management, and Incident Management

RISMA is listed on Nasdaq First North with a mission to become a leading GRC platform for medium and enterprise businesses and organizations. We believe that being a good business – is really great for business.
