

Re-Match hires new CFO to boost growth plans following IPO

12.8.2022 10:35:11 CEST | Re-Match Holding A/S | Company Announcement

Company announcement 16/2022 - Herning, Denmark, 12 August 2022 - Re-Match Holding A/S ("Re-Match"), a pioneer within sustainable recycling of synthetic turf, brings on board Anders Lykke Jacobsen as new CFO to execute the company's expansionary strategy. Thomas Bech Albertsen will remain in Re-Match for a period to support the transition to the new CFO.

Having successfully completed its IPO and developed the factory blueprint for the future Re-Match recycling plants, Re-Match has turned its focus to the plan for accelerated international growth. To this aim, the company has hired Anders Lykke Jacobsen as new CFO.

"We are very pleased to welcome Anders to Re-Match, who brings experience from managing and growing finance teams in high growth international companies, which is a key capability for the journey ahead of us," says Nikolaj Magne Larsen, CEO of Re-Match.

Anders Lykke Jacobsen who among others has been CFO in the Bühler Group and VP Corporate Finance at Welltec, steps into his new role as the company is embarking on the next wave in its factory roll-out plan which will lead to 24 Re-Match factories globally within the next 10 years.

"At this junction, I would like to thank Thomas Bech Albertsen for his contribution in professionalising the Re-Match organisation on the journey to becoming the new standard in synthetic turf recycling – and for his tireless efforts in delivering our IPO." says Nikolaj Magne Larsen. "Also, I am happy that Thomas has agreed to support the change in office by staying on until further notice."

Anders Lykke Jacobsen will start in his new position 16 August 2022.
