## **About Hove**

Hove is a supplier of lubrication solutions for mechanical bearings, primarily in the wind turbine industry. Hove's solutions provide customers with significant annual operating cost savings, while at the same time ensuring that lubrication is performed and documented correctly, which extends the life of the bearings. Over the past 25 years, Hove has set new standards for lubrication in the wind turbine industry. Hove's patented IoT solution will strengthen Hove's position as market leader. With its unique product and experienced team, Hove has achieved a strong market position in the wind turbine industry and an international presence.
